

# TIRED BACKS

Backs that are tired—weary—worn out.

Backs that are lame, weak, aching. Bad Backs, sick backs, backs that ache like a toothache, that keep you awake nights with their never-ceasing pains and aches, that are the burden of the day should not be neglected. Backache is the Kidney's cry for help; neglect its warning means many Kidney ills, Urinary troubles, Diabetes, Bright's disease. There is a certain cure:

## DOANE'S KIDNEY PILLS

A modern remedy for every Kidney ill—for kidneys only—goes right to the spot. Not an experiment but a proven cure endorsed by the people you know.

## IOLA PROOF!

### S Sycamore St

Mrs. C. E. Price, of 523 south Sycamore street, says: "Some time before I noticed Doane's Kidney Pills advertised in Iola my little boy had been complaining of his back and I had also had symptoms of kidney complaint. Going to C. B. Spencer & Co.'s drug store for a box I gave them to the child and a few doses relieved him. The treatment toned up my system and I have been in excellent health lately as a consequence."

### S Washington St

Mr. John King, brick-layer, of 404 So. Washington Ave., says: "To a man who follows my calling a good sound strong back is indispensable but when it aches and pains every time you bend or stoop you often feel like laying off work. For about four weeks I was annoyed in this way, when I noticed Doane's Kidney Pills advertised to cure backache, I went to C. B. Spencer & Co.'s drug store for a box and took it as directed. I noticed a change for the better after a few doses. The treatment went to the root of the cause and in a very short time the backache had disappeared."

### N Washington St

Mrs. Susan E. Post, of No. 520 Washington street, says: "A dull aching seated itself in my back and steadily annoyed me for a few weeks. Naturally anxious to check the trouble I noticed Doane's Kidney Pills advertised to stop pain in the back due to over excitement or weakened kidneys I went to C. B. Spencer & Co.'s drug store for a box. Under the treatment, the aching gradually decreased until it finally ceased."

### S Chestnut St

Mr. Jos. Croker, Contractor, living at 209 south Chestnut street, says: "For five or six years symptoms of either weakened or over-excited kidneys existed despite the fact that I was continually using medicine to counteract the condition. I need not dwell on the annoyance kidney complaint causes, for I will be only too pleased to give minute particulars to anyone in Iola who calls upon me personally. Not out of idle curiosity but if heretofore suffers from kidney complaint, and wishes to know what course to pursue to get relief. In the meantime my advice is, call at C. B. Spencer & Co.'s drug store for Doane's Kidney Pills and the results they may obtain will positively surprise them. I have advised the use of Doane's Kidney Pills to more than one resident of Iola."

### North Street

Mr. Wm. M. Gaines, smelter, of 411 North street, says: "If pain across the loins which clung to me persistently for three years which was always in evidence after a hard day's work and which often tormented me in the morning so that I could scarcely get around is any indication of kidney complaint then I had it and had it bad. When suffering from the last severe attack I went to C. B. Spencer & Co.'s drug store for Doane's Kidney Pills. When I completed the treatment the backache disappeared."

Get what you ask for. Get DOANE'S. Don't accept something "just as good." Most druggists sell Doane's Kidney Pills and will give you what you call for. Some may endeavor to substitute an article they make more profit on. Insist on having the genuine. Price 50 cents. Manufactured by Foster-Milburn Co., Buffalo, N. Y.

## TRIAL ON NOVEMBER 26

Preliminary Hearing of Mr. and Mrs. Lamunyan Will be Held At Moran at That Time.

The only new development in the sensational story which came out here Wednesday evening was the setting of the time for trial on November 26 before Justice James Woodard at Moran. The trial is bound to attract a large crowd and it was set for Moran in order to make as little trouble for the witnesses as possible.

The prosecuting attorney feels confident that he will get a conviction, as the witnesses secured in his opinion prove a case beyond the shadow of a doubt. The women of the Huffman family and neighbor women will explain to the court the grounds for the talk which they circulated during the summer and will probably prove to the jury's satisfaction that a child was born to Golda Huffman.

Mr. and Mrs. Lamunyan were seen at the jail Thursday by a REGISTER reporter and both denied their guilt. Not only did they disclaim that they are the parents of the child, but professed the utmost ignorance as to there being a child found. It seems reasonable that if they did leave the child in the field they ascertained whether it was left there to die and had died, or whether it was rescued. The reporter informed them that the baby was found dead, but they were unmoved. In fact the only thing that will move that couple will be to show that there is no getting around the truth, whatever it may be.

The two of them had nearly \$200 with them when arrested and with this and what their fathers possess will be able to secure the best legal advice, although this has not yet been done. The scandal comes as a particularly hard blow on a family of worth and honor.

Mr. Huffman and Lamunyan, fathers of the two young people, were in town

They had nothing to say on the subject of trouble but went industriously to work and raised the \$300 bond required from each of the defendants.

### Blays in Brick Company.

At last, after these many days, the REGISTER has been able to find out the whole truth about the whereabouts of Mr. J. W. McClelland's presence in Iola. He is the man to whom the reporter sold eleven acres for \$25,000 some days ago on the straight tip from an "inside" man.

Mr. McClelland has bought one-half of Mr. Kerr's interest in the Star Brick Company which owns and operates a plant south of town. This gives him a fourth interest and leaves a fourth interest in Mr. Kerr's name. Mr. McClelland is from Lenox, Iowa, and is a man of means and he expects to move to Iola and make this his home. Possibly after he has been here a while and learned what a good town it is he may be induced to invest further even though he may not buy \$2,291 an acre land.

## DESERTED BABY IS DEAD

Moran Herald Says Child Died Shortly After it Was Found—Makes Crime Greater.

The Moran Herald of last week gives its version of the desertion of the infant child found in the Osage township corn field. In addition to what has been already told in the REGISTER, the Herald adds that William Black saw the child left in the field. Later he rescued it. When it was deserted it was alive and later it died and was buried. Knowing that the baby could suffer nothing farther and that the story would bring deep distress to a respected and prominent family of the neighborhood he decided to say nothing about his discovery, but afterwards changed his mind and the arrest followed.

This throws a new color on the affair. Desertion of a helpless in-

fant was heartless and inhuman, but if the infant was rescued and cared for the public would feel less inclined to demand punishment. But if the child is dead, as the report from the scene of the trouble states, then the matter becomes a case of murder, wilful and barbarous, and the wheels of the law now in motion cannot help but bring that charge against the parties who may be found guilty.

The parents of the two young people who were arrested here and lodged in jail secured bond for them in the sum of \$300 each and they were turned out of jail Friday. It is understood they returned to the Hoffman home in Osage township, there to await their preliminary hearing before Justice Woodard in Moran November 26.

### City is to Have Sewers.

The city council among a lot of other important business transacted Thursday took the first serious step toward giving the city a sewer system. A resolution was adopted approving of the plan of Prof. F. O. Marvin for the building of a sewer system which should dispose of the sewerage by the bacteriological process. The resolution favored the printing at once of a request for bids for the necessary engineering work for a survey, the plans and construction work of such a system and that as soon as work can be commenced on the system it is to be commenced and pushed to as early a completion as possible.

So the long talked-of and much-needed sewer system seems to like to become a reality before another twelve months has passed, or at any rate a good start on an efficient system will be made.

### Ask Mercy of the Commissioners.

Two of the men who last went up against the prohibitory law in this county have petitioned the county commissioners to be lenient. Their petitions were presented at the session Thursday but not acted upon for some reason. L. D. Montgomery, whose sentence ends December 24, asked the board to order his release at that time, because they will not meet again until January. He says he has paid costs in District and Supreme court, but cannot pay his fine now and cannot earn it in jail. After his release he promised to earn and pay the fine as quickly as possible.

John Gill, by his attorney C. S. Ritter, showed the board that his fine is \$300 and that he was sentenced to the county jail 150 days. He is not in jail and says he cannot pay the fine, but that if the fine will be remitted he will pay the costs.

### State vs Abe Townsend.

The row which nobody seems able to explain, and which was reported briefly some days ago in the REGISTER, between Jim Trine and Abe Townsend has progressed to the district court. This morning Trine filed a case brought in the name of the State, charging Townsend with assault. He says he went to his farm, which Townsend rents, and without any reason Townsend pointed a double-barrelled shot gun at him and ordered him to hike. Townsend denies this version. He declares that Trine started at him with a knife and that he got the gun and laid it close to hand and ordered Trine to stop his monkey business.

### Jumped on a Ten Penny Nail.

The little daughter of Mr. J. N. Powell jumped on an inverted rake made of ten penny nails, and thrust one nail entirely through her foot and a second one half way through. Chamberlain's Pain Balm was promptly applied and five minutes later the pain had disappeared and no more suffering was experienced. In three days the child was wearing her shoe as usual and with absolutely no discomfort. Mr. Powell is a well known merchant of Forkland, Va. Pain Balm is an antiseptic and heals such injuries without maturation and in one-third the time required by the usual treatment. For sale by W. L. Crabb & Co., Campbell & Burrell.

Get a free sample of Chamberlain's Stomach and Liver Tablets at W. L. Crabb & Co's. or Campbell & Burrell's drug store. They are easier to take and more pleasant in effect than pills. Then their use is not followed by constipation as is often the case with pills. Regular size, 25c per box.

## THE OFFICIAL COUNT

Below is given a table showing the names of those who were elected to township offices in the election of Tuesday, November 5, 1901. The Republicans had the only tickets out at Geneva and Deer Creek; the Populists had tickets in Cottage Grove, Salem and Carlyle; Henry Lambeth in the race verbally and elected him trustee. It was charged against Isaac that he favored the new court house. At some places one vote elected a man overseer, and several ties resulted. The number of defective ballots was unusually large, Marmaton township have fifty. Ordinarily two or three spoiled ballots is the total. The general trend of the election was Republicanwards, the party gaining three trustees and numerous minor offices.

Note: In the list of road overseers elected, the number indicates the district and the letter after the name the ticket on which the candidate ran, thus R, Republican; P, Populist; I, Independent.
